PROJECT DESCRIPTION

Iowa DOT completed improvement to the I-80 westbound lanes just east of the Madison Avenue interchange in Council Bluffs in the summer 2014. The subsurface drainage system led to an uneven roadway surface and degradation of the pavement in this area.

To prevent this issue from reoccurring the existing pavement was replaced and the subsurface drainage system was improved. Construction began in August 2014 and was completed in two months. This project resulted in I-80 westbound being reduced to one lane near Valley View and Mosquito Creek during construction.

Iowa DOT wants to keep you informed about the changes and construction impacts in order to minimize the impacts the construction may have on your travel.

Here's how you can stay informed:

- Visit www.CouncilBluffsInterstate.IowaDOT.gov for more information and to sign-up for traffic alerts via Iowa DOT's 511 Traveler Information site.
- Email us: info@CouncilBluffsInterstate.com
- Call us: 712.216.3339
- Follow us: #CBInterstate
- Visit us at the program office: Mall of the Bluffs, 1751 Madison Avenue, Suite 750, Council Bluffs, IA 51503
*Enter on the east side of the mall, next to the Dillard's Clearance Store.
