

TRAFFIC CONSTRUCTION ALERT

On the evening of Tuesday, August 14th, weather permitting, Iowa DOT maintenance will be changing exit number signing for the 24th Street and South Expressway exits as shown on [this map](#). This change is designated to follow I-29 mileage for the final design of the dual-divided freeway. The outside lanes of the dual-divided freeway will be designated I-29/I-80 local and will follow the I-29 mileage in the ultimate design of the system.

To sign up for alerts, visit the program website at
